Events

January–December

- July 27** – Avignon Pope Benedict XIII is deposed, bringing to an end the Great Western Schism.
- August 12** – King Henry V of England begins using English in correspondence (back to England from France whilst on campaign), marking the beginning of this king's continuous usage of English in prose, and the beginning of the restoration of English as an official language for the first time since the Norman Conquest, some 350 years earlier.
- September 20** – Henry V of England captures Caen in Normandy which remains in English hands until 1450
- November 14** – Pope Martin V succeeds Pope Gregory XII (who abdicated in 1415), as the 206th pope.

Date unknown

- The earliest extant description of Tynwald Day; the annual meeting of the Isle of Man's parliament (Tynwald) is written down in law.^[1]
- The use of street lighting is first recorded in London, England when Sir Henry Barton, the mayor, orders lanterns with lights to be hung out on the winter evenings, between Hallowtide and Candlemas.
- Mircea cel Bătrân loses Dobruja to the Ottomans and pays them tribute, thus preventing Wallachia from becoming an Ottoman province.
